Price: Negotiable
Packaging Details: Bare packaging
Delivery Time: 30-40work days

Payment Terms: T/T

# **Product Specification**

Name: Forklift
Feature: High Safety
Place Of Origin: China
Brand Name: Goodsense
Condition: New

• Energy Supply: Reference Introduction

Advantage: Small Vibration And Noise

Highlight: diesel side loading forklift truck,

side loading forklift truck sustained, goodsense side loading lift truck

## **Product Description**

Heavy-duty parts and components of 6 tonnes capacity Refined & Redefining

GOODSENSE 6 ton diesel side loader forklift is a real packhorse. The forklift features a refined chassis, EU Stage II ISUZU engine (82.4kW at 2,000rpm), excellent ergonomic cabin and control levers, offering the highest levels of durability, productive forces and control in the market.

Responsible & strong EU Stage II ISUZU diesel engine Control levers

#### **Key Features**

SUSTAINED DESIGN

All GOODSENSE sideloaders are built to last. Changes have been made to improve efficiency and pressure flow. The result is a more durable design, fully compliant with emissions regulations and yet with more sensitive control via hydraulic system.

#### **AUTO STABILIZING SYSTEM**

Once the platform is fixed in the horizontal position, the load remains stable even on uneven ground.

The Range: Mid-Sized, Heavy Duty

Our most popular sideloaders are most advanced, performing majestically over long shifts and greater distances. GOODSENSE 6 ton diesel side loader forklift offers refined ergonomic cabin, control levers and the highest levels of durability & control in the market.
